CUSTOMIZED APPAREL

With more and more home furnishings retailers opting for a coordinated look on the sales floor and in the warehouse, NHFA has teamed with Aramark to provide uniforms and career apparel at significant discounts. Customization of selected garments with embroidered company logos will instantly generate brand recognition for home furnishings retailers! The program covers apparel needs throughout the store: sales, office workers, warehouse and drivers.

HERE'S HOW IT WORKS:

- Stores send their logos to Aramark. Aramark provides the logo set-up at no charge (generally the fee for this service ranges from \$100-\$150).
- Aramark's artists can take a sketch, business card, or letterhead and translate it into a colorful, raised thread embroidered design.
- Clients receive an embroidery sample before work on the order begins.
- Once the sample is approved, the order is processed.

An Aramark catalog with details of the complete selection is available upon request.
